

OPTIMAL

LIVING

Dear Reader

In these times of change, more than ever we are in need of help and support to work through the challenges we are facing. With shops disappearing by the day we need new methods to get the help to the people who need it.

The subjects covered by Optimal Living are the very things that people are currently struggling with like: Abundance and prosperity, relationships, stress and negative emotions such as anger, fear and hurt.

The Optimal Living range of products include books, subliminal CD.s, cards, DVD, energy sprays and flower essences.

The [Self-Help Share and Win Network](#) has been set up to provide an easy system to benefit all.

Simply:

- Receive your complete pack of product information and order form by email or post.
- Forward and share these with like minded people, with any recommendations of your own.
- You then receive commission on any order received,

£1.50 per big book/cards.

£1.00 per small book.

£2.00 per CD.
- Any subsequent order for yourself will be subject to automatic commission discount.
- Commission will be calculated and sent every two months either by BACS or cheque.
- All postage and packaging is free of charge.
- Simply put your name in the recommender box on the blank order form prior to sending.

I trust you will enjoy and benefit from this exciting new scheme and pass on the support to those who are ready to embrace a positive new future.

With Love *Liz Adamson*
